

The Islamia University of the Bahawalpur, Pakistan

National Conference on Business Research-NCBR 2019

Promoting Sustainable Business Research and Practices

City of Bahawalpur and IUB

Bahawalpur has always been a seat of higher learning. Uch Sharif (a nearby ancient town) had one of the largest universities of the world in ancient times where scholars from all over the world used to come for studies. Jamia Abbasia was established in Bahawalpur in 1925, In view of the changing scenario, it was declared as a general University in the year 1975, and was renamed as The Islamia University of Bahawalpur Pakistan (IUB). IUB is currently offering education and research opportunities in more than 70 disciplines through its more than 58 departments and is considered one of the largest public sectors University of Pakistan. IUB has always been a great institute for scientific research. For the year 2018 Nature Index has placed IUB as 3rd best research institute of Pakistan.
