NOTIFICATION

Subject: **Revamping the Online System Developed for Registration and Result Cards of Postgraduate Programs**

It is hereby notified for the information of all concerned that the Director of Advanced Studies and Research, in collaboration with the Directorate of Information Technology, is currently working on updating the online registration and result card system for postgraduate programs. As a result, the Incharges Examinations are facing difficulties in downloading the updated/final result cards due to the following reasons:-

(i)   The relevant scholar has not been issued a registration number by the Directorate of Advanced Studies and Research due to some deficiencies that have not been provided by the student/department.

(ii)   The problems can occur due to any technical issues that happened during the revamping of the portal.

(iii) It's also possible that student data gets temporarily deleted from the portal during the portal revamp.

(iv)   Problems in downloading the result card may arise even if students are registered, and their data is not linked with transcripts.

2.   The departments who are facing issues to download the transcripts may contact this Directorate, and their queries will be addressed on a first-come, first-served basis. This Directorate is currently overloaded and addressing multiple queries. It is expected that the portal will be fully activated after undergoing a complete revamp by 29-03-2024.
