### VICE CHANCELOR'S Message

I am thrilled to announce the release of the third edition of our Alumni Outlook publication. This endeavor is a testament to the vibrant history and enduring legacies that have shaped IUB into the esteemed institution it is today. The Alumni Outlook serves as a platform to honor our past while also highlighting our aspirations for the future. Through this publication, we aim to showcase the diverse experiences and achievements of our alumni, faculty, staff, and students in a more intimate and personal manner. It is our hope that by sharing these stories, we can foster a stronger sense of community and inspire collective efforts towards the advancement of our alma mater. I extend my heartfelt gratitude to all who have contributed to this edition and invite you to join us in celebrating the spirit of excellence and innovation that defines IUB.

Prof. Dr. Muhammad Kamran

### DIRECTOR ALUMNI AFFAIRS'S Message

As the Director of Alumni Affairs at IUB, it brings me great joy to welcome you back to your alma mater. Your continued support is invaluable in driving the development and progress of our university. There are numerous ways you can contribute, whether through strengthening our programs, mentoring current students, providing financial assistance to deserving individuals, or sharing ideas to enhance our academic and extracurricular offerings. In today's digital age, we have the privilege of staying connected through various platforms such as our Alumni Network Portal, as well as social media channels like Facebook, Twitter, and LinkedIn. These tools enable you to stay informed about the latest research and educational developments, connect with fellow alumni, and participate in on-campus and regional events at your convenience. The Directorate of Alumni Affairs takes immense pride in highlighting the achievements and contributions of our alumni on both national and international stages. We serve as a bridge between the past and present, fostering collaboration for a brighter future for our nation, our students, and our beloved institute. We encourage current students to emulate the success of their predecessors and strive for excellence in all endeavors. I look forward to your continued engagement and support as we work together to uphold the legacy of IUB and empower future generations of leaders.

### Placement of Internees under BNIP in different offices of IUB

Certainly, the "Ba-Ikhtiyar Naujawan Internship Program" is an initiative aimed at providing internship opportunities to the young individuals (naujawan) to gain practical experience and exposure within various Departments and offices of the IUB.

Accordingly, on January 8th, 2024, the Directorate of Alumni Affairs announced the selection and placement of 19 internees, across various offices, directorates, and Departments of the IUB, under the umbrella of the "Ba-Ikhtiyar Naujawan Internship Program". Dr. Shahid Mahmood, as the Director of the Alumni Affairs and the focal person for the program, played a crucial role in coordinating the activities in the internship process. He ensured through the orientation sessions with the internees that the selected candidates were well-informed about the expectations, guidelines, and regulations set by the Ministry of Planning, Development & Special Initiatives for their internship period. This initiative not only benefited the internees by providing them with the valuable work experience, but also, it served as a platform for collaboration between educational institutions (i.e., the IUB) and the Governmental bodies (i.e., the Ministry of Planning, Development & Special Initiatives). Moreover, such programs contribute to capacity building, skill development, and foster closer ties between academia and the public sector.

The Islamia University Of Bahawalpur, Pakistan

# Proud Alumnus/ Notable Alumni

In the identification of our notable alumni, the Directorate of Alumni Affairs delve deep into the annals of history, unearthing tales of perseverance, brilliance, and societal impact. With each name discovered, we peel back layers of accomplishments, revealing the myriad paths forged by individuals who once walked the corridors and sat in the lecture halls of the University. Hence, from the corridors of power to the frontiers of science, our alumni network serves as a constellation of stars, guiding and inspiring the next generation of scholars, leaders, and innovators. Moreover, beyond their individual successes, these alumni collectively represent the true essence of their alma mater, embodying its ethos and values in their endeavors. As we journey through this vast and illustrious tapestry, we are reminded that the true progress of an institution lies not only in its academic rigor, but also, in the enduring legacy of its graduates. Indeed, being a proud alumnus is a wonderful feeling, and it's always inspiring to see the progress and development these individuals bring to their institutions.
