

First International Conference on Education (ICE-2022) March 29-30, 2022

Join us at The Islamia University of Bahawalpur, Pakistan

Welcome to the First International Conference on Education (ICE-2022) Organized by the Department of Education, The Islamia University of Bahawalpur, Pakistan to be held on March 29-30, 2022.

The ICE-2022 encourages academicians, research scholars, educationists and educational practitioners to meet and share their academic and research practices, ideas and views at an international forum in a professional way. The event aims to promote an opportunity for developing academic and professional networking, facilitating collaboration and partnerships.

Aims and Objectives of ICE-2022

The ICE-2022 aims to

- create an international forum to gather, discuss and share the latest academic practices and researches in all areas of education, and innovations in education
- provide international scientific forum for exchange of innovative instructional and pedagogical practices from around the world
- provide an ideal opportunity to the academicians, researchers, educationists and educational practitioners to meet and share their academic and research practices, ideas and views in a professional way
- share best practices and promote international partnership and collaboration among academicians, researchers, educationists and educational practitioners from all over the world

Call for Contributions

We encourage our prospective authors/presenters to contribute to and help shape the conference through submissions of their research abstracts, papers and posters. High quality original and unpublished research papers in all areas of Education are invited for ORAL presentations. We also welcome POSTER presentations at the conference.
