Keeping in view the strength of chair structure, Boss Moulded Furniture Gujranwala (BOSS) brand chair have one (01) iron pipe support in back and one (01) in seat other than iron pipe made frame structure of chair, whereas. Chaudhary & Sons Engineering Company Gujranwala (TOYO) brand chair have two (02) iron pipe support in back and three (03) iron pipe support in seat other than iron pipe made frame structure of the chair.

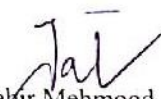

Recommendation:

Chaudhary & Sons Engineering Company Gujranwala (TOYO) is recommended by the Committee due to heavy weight frame and durability as compared to others companies student chair. Therefore, said company's student study chair is recommended for procurement.

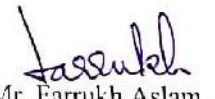

Committee for inspection of General / Electrical items to be purchased for Estate Care & Space Management Division.
